## Say NO to FGM

It is against the law to carry out FGM in Scotland or take a UK national girl abroad for FGM. It is also a crime to assist or arrange the FGM of another person, even if the FGM occurs outside UK.

Any person found guilty of an offence under the Female Genital Mutilation Act 2003 will be liable to a **maximum penalty of 14 years' imprisonment or a fine or both.**

If you or someone you know is at risk of FGM you can call the FGM Helpline on **0800 028 3550**, or speak to a health worker, teacher, GP, social worker or the police.

Parents and families may believe that arranging Female Genital Mutilation is the right thing to do to girls, but FGM harms girls and women, has no benefits, and is not supported by any religion.
