## Introduction

This list includes community centres run by anyone and so is not confined to those funded by Nottingham City Council. Some Community Centres publish a booking diary online; some only advertise the meetings that they organise themselves and do not list organisations that merely hire a room from the Centre. This list is principally concerned with community centres that are open and operate within the area served by Nottingham City Council. Youth centres are listed separately, as are a few that lie outside this area and centres that have closed but continue to appear in online searching. Nottingham City Council area is determined by this online [app](#). The list was developed through an online internet search, so some centres listed as open may have closed. Confidentiality concerns have been addressed<sup>1</sup>. Please send updates and corrections to [peter.bates96@gmail.com](mailto:peter.bates96@gmail.com).
